No Manager shall be re-eligible until one year after the expiration of the term for which he shall have been last elected. There shall also be elected at each annual election of officers, two Chaplains, two Physicians, and two Consulting Physicians.

SECTION 2. The election shall be by ballot, and a plurality of votes shall constitute a choice.

SECTION 3. The officers so elected shall be installed and shall enter upon the duties of their respective offices

at the stated meeting immediately preceding the anniversary meeting.

SECTION 4. The President shall, when he is present, preside at all meetings of the Society, preserve order, put the question, and declare the decision. He, in conjunction with one of the Vice-Presidents, may call special meetings of the Society when they shall judge proper, and he shall call them when required by the Board of Officers, or when requested in writing by any nine members, specifying in such request the object for which such meeting is desired. He shall appoint the time and place of all meetings, and shall sign orders on the Treasurer from the Board of Officers.

SECTION 5. The Vice-Presidents shall assist the President in presiding at the meetings. The duties specified in the preceding section shall, in case of the inability to act of the President, by reason of his absence or sickness, devolve on the First Vice-President; and in the absence or sickness of both, on the Second Vice-President; and so on, according to rank; only that, in regard to signing orders on the Treasurer, each shall have equal powers with the President.

SECTION 6. The Managers shall constitute a Board for dispensing the Society's bounty, agreeably to the regulations and restrictions prescribed in this Constitution, or by the laws and resolves of this Society; and for this purpose, they shall meet at least once a month in Summer, and twice a month in Winter, and five shall be necessary to form a quorum. At their meetings only they shall decide on the application of claimants, and, if a majority of those present shall consent to grant relief, they shall recommend them, in writing, to the President

and Vice-Presidents, either of whom is authorized to draw on the Treasurer for the sum specified in the recommendation of the Managers; provided that no more than twelve dollars be given to any one person in one year, except as provided in Article VI., Section I, of this Constitution, or unless otherwise determined at a meeting of the Society; and provided also, that the whole sum thus dispensed by the Managers and by the Society in one year, do not exceed the revenue of the Society for that year arising from the interest on the Permanent Fund (hereafter mentioned) and from the annual dues. The Managers shall likewise recommend to the attention of the Chaplains and Physicians such persons as they suppose might be benefited by their assistance.

SECTION 7. The Treasurer shall have the custody of the money and other property of the Society. He shall keep regular accounts of all receipts and disbursements, in suitable books provided for that purpose, which shall be open at all reasonable times to the inspection of the members. He shall keep an account of the fees and dues that accrue, and shall appoint a proper and discreet person to collect the same, and shall allow such person a reasonable compensation therefor. He shall, at least once in every three months, report to the Board of Officers the names of the members whose dues remain unpaid, and the amount they respectively owe, specifying those whose dues have been in arrear more than a year. He shall preserve vouchers for all disbursements. He shall enter on his books each sum paid by him in consequence of the recommendation of the Board of Managers, the name of the President or Vice-President who signed the order, and the name of the person to whom the money was paid. He shall, at each quarterly

meeting, present an abstract of his accounts, stating the sum received and expended during the last quarter; and likewise the whole amount received and expended since the previous anniversary festival, specifying the amount of the Permanent Fund, and amount of cash on hand, and what may become due before the next meeting of the Society, that they may, if they think proper, take order for the disposition thereof.

SECTION 8. The Secretary shall have the custody of all the records and journals of the Society and shall make a regular entry of all the proceedings at each meeting. He shall keep a roll of the members. He shall give notice through the post office or letter-delivery companies of all meetings, whether stated or special. He shall, under the direction of the Board of Officers, erase from the list of members the names of all such persons as shall, by the terms of the Constitution, have forfeited their title to membership, making a report thereof at the next meeting of the Society.

SECTION 9. In the absence of the Secretary, the duties specified by the last preceding section shall devolve on the Assistant Secretary, whose duty it shall be to assist the Secretary when present.

SECTION 10. The Chaplains shall perform the religious duties at the meetings of the Society, and shall by their counsel and advice promote harmony and good-will among the members. They shall also visit such sick and distressed persons as may be recommended to their attention by the Managers.

SECTION 11. The Physicians shall give advice and assistance to such sick or maimed person as may be committed to their care by the Managers.

SECTION 12. In case of the death, resignation or removal of any of the officers before the end of the year or term for which they were elected, the Society may, at any subsequent meeting, choose others in their room, in the mode prescribed in Section 2 of this article, to serve for the remainder of the term for which such officers were elected.

SECTION 13. The Board of Officers shall meet regularly on the Monday immediately preceding each quarterly meeting. Special meetings may be called by the Secretary, under the direction of the President, or of the Vice-President acting in his stead, or of any three members of the Board of Officers. In addition to the duties conferred upon the Board by this Constitution, they shall likewise execute all such business as may from time to time be committed to them by any law or resolve of the Society; and they shall report their proceedings at every stated meeting of the Society. The presence of at least seven members shall be necessary for the transaction of business. They may, in their discretion, appoint a Sergeant-at-Arms, with such powers, and subject to such duties, as they may deem proper; and may allow him such compensation as they shall think reasonable.

## ARTICLE IV.

### OF COMMITTEES.

SECTION 1. The Committee of Finance shall consist of the President, the Vice-Presidents, and Treasurer; the President shall be Chairman of the Committee. They shall have the management of the Permanent Fund, and

shall direct its investment. All funds and money belonging to the Society shall stand in the name of "The Saint Nicholas Society of the City of New York." The Committee shall, when moneys are to be disbursed from the Permanent Fund, or any amount transferred therefrom by resolution of the Society, give an order, in writing, to the Treasurer, for such disbursement or transfer. They shall have power to sell out stocks or other securities belonging to the Society, and to reinvest the same. They shall report their proceedings at each quarterly meeting.

SECTION. 2. There shall be appointed annually, at the meeting when the officers of the Society are elected, a Committee of Accounts, consisting of five members, not being officers, whose duty it shall be to examine the books and accounts and vouchers of the Treasurer, and to examine the proceedings of the Committee of Finance and of the Managers, and to report thereon to the Society at its next meeting.

SECTION 3. There shall annually be appointed, at the meeting when the officers of the Society are elected, a Committee of Installment, consisting of two members, who shall, on the anniversary festival, present and install the officers elected for the ensuing year.

SECTION 4. There shall be elected by the Society (by ballot), at the next meeting when the officers are elected, a Committee of Six as Stewards of the Society, whose duty it shall be to take charge of the general detail of the anniversary celebration, as shall be prescribed by the By-Laws, or by a resolution of the Society, who shall divide themselves into three classes of equal numbers each. The first class shall serve for one year, the second

class for two years, and the third class for three years; and at each annual election thereafter there shall be elected two members of said Committee for the term of three years, and such additional number, if any, as may be necessary to fill vacancies for the remainder of the terms of the members whose places they fill.

No member elected to this Committee shall be re-eligible until one year after the expiration of the term for which he shall have been last elected.

SECTION 5. All Committees (special as well as standing) whose appointment is not otherwise directed by the Constitution or By-Laws, or a resolution of the Society, shall be nominated by the presiding officer and confirmed by the Society.

## ARTICLE V.

### OF THE FUNDS.

SECTION 1. All sums received as initiation fees, donations, bequests, etc., and all sums paid by life members, shall be invested under the direction of the Committee of Finance as a Permanent Fund, to be loaned out at interest, or invested in stocks, or public funds. And if at any time the interest arising from the Permanent Fund, together with the amount received from the annual dues, be more than the exigencies of the poor and the current expenses of the Society require, the surplus shall be carried to the Permanent Fund. In like manner, if the Stewards shall at any time receive more money than is required for the expenses of the anniversary festival, the surplus shall be paid over to the Treasurer, and be carried to the Permanent Fund.

SECTION 2. No money shall be transferred from the Permanent Fund except by a resolution of the Society at a stated meeting, at which there shall be present at least one hundred members, three-fourths of whom shall vote in favor of such resolution.

SECTION 3. All such sums as arise from the annual dues of members, and from the interest or income of the Permanent Fund, shall constitute a fund, to be called the Charity and Expense Fund, from which all the debts of the Society shall be paid and the charities disbursed. But if the said fund shall exceed the amount of expenses and of charities distributed, the surplus shall be annually carried to the Permanent Fund, according to the provisions of Section 1 of this article of the Constitution.

## ARTICLE VI.

### OF THE PERSONS TO WHOM CHARITABLE DONATIONS MAY BE MADE.

SECTION 1. The widow and children of a deceased member shall (if so determined by the Board of Managers) be entitled for five successive years to an annuity from the funds of the Society, to the full amount of the moneys which the deceased member shall have actually paid into the Treasury, payable in such manner, and to such persons, as the said Board of Managers shall direct; provided, however, that said annuity shall in no case be paid to a widow of a member after she shall have married again, nor to children after they shall have attained the age of fourteen years.

SECTION 2. None shall be objects of the Society's bounty (except as provided in the preceding section)

but such members thereof as shall become indigent, and children of a member of this Society.

## ARTICLE VII.

### MEETINGS.

SECTION 1. The Society shall hold four stated quarterly meetings in each year, on such days as shall be determined by the By-Laws.

SECTION 2. Special meetings may be called as provided in Section 4, Article III., of this Constitution. Special meetings shall be competent for the transaction of any business which may come before them, except questions touching a transfer of the Permanent Fund of the Society, and except also such other business as by this Constitution, or the By-Laws, may be confined to stated meetings.

SECTION 3. As the benevolent and charitable objects of this Society will be greatly promoted by a social intercourse among its members, the Society shall celebrate its anniversary by a dinner, on the 6th day of December in each year, unless that day fall on Sunday, in which case the anniversary shall be held on the following day, and the Society may at any stated meeting provide for other festivities.

SECTION 4. All the meetings of the Society shall be held at such hour and place as the President, or person acting as President for the time being, shall appoint.

SECTION 5. A quorum for the dispatch of business, except in cases where a larger number may be required for any special act, by any article of the Constitution,

shall consist of such number of members as shall be prescribed by the By-Laws; but any number of members present at the time appointed for a stated meeting, may from time to time adjourn such stated meeting.

## ARTICLE VIII.

### ON THE MODE OF ALTERING THE CONSTITUTION OF THE SOCIETY.

SECTION 1. No alteration, repeal or amendment of any part of this Constitution shall take place unless the proposition for such alteration, repeal or amendment shall have been made at a previous stated meeting; and such proposition shall not take effect unless there are present at least forty members, three-fourths of whom shall vote in the affirmative, and the votes on such question shall be recorded by the Secretary, if required by five members present.

SECTION 2. The By-Laws of this Society may be altered, repealed or amended, either at a stated meeting or at a special meeting, when called for the object of making such alteration, such object being expressed in the notice of said special meeting. The proposition for such alteration, repeal or amendment, must have been made at a previous meeting.

# By-Laws

---

SECTION 1. The stated meetings of this Society shall be held on the first Thursday in March and June, and on the Thursday next before the Anniversary, in each year, except when such Thursdays are public holidays, in which case the meeting shall be held on the following day.

SECTION 2. The Secretary shall give at least two days' notice through the post office or letter-delivery companies of the time and place of all meetings, whether special or stated.

SECTION 3. At special meetings, the consent of two-thirds of the members present shall be necessary to constitute a vote.

SECTION 4. Fifteen members shall be necessary to constitute a quorum, except in cases where a larger number may be required by the Constitution or By-Laws, for any special act.

SECTION 5. At each meeting of the Society, immediately after the presiding officer shall have taken the Chair, the minutes of the previous meeting shall be read by the Secretary, and passed upon by the Society; the next business in order shall be reports of officers and committees; then proposals of candidates.

SECTION 6. Any member having observations to make, or resolutions to propose, shall rise in his place

and address the Chair; and all resolutions shall be submitted in writing and handed to the Secretary, and shall be by him entered on the minutes.

SECTION 7. In all cases of candidates for admission the member proposing a candidate shall state, in writing under his own signature, in the "Book of Proposals," the name of the person proposed, his occupation and residence; also, the name of the ancestor who was a native or resident of the City or State of New York, prior to the year 1785, or who has been a member of this Society; and the degree of relation between the candidate and such ancestor; and also, all other qualifications required by the Constitution; and no name shall be considered in nomination, unless the proposal be submitted to a meeting of the Society in the manner required by this section.

SECTION 8. When a candidate is proposed for admission, any member present may state any facts within his knowledge respecting the qualifications of the candidate so proposed.

SECTION 9. The Stewards shall select the place of meeting for, and shall provide the anniversary dinner; shall stipulate the price, and issue tickets therefor; and, in conjunction with the President and Vice-Presidents, shall prepare the toasts, and sign and give invitation cards to the dinner.

SECTION 10. No topic connected with the party politics of the day shall ever be discussed at the meetings of this Society.
